Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

**Overview of this information collection:**

- (1) Type of Information Collection: New Collection.
- (2) Title of the Form/Collection: Application for Employment Authorization for Abused Nonimmigrant Spouse.
- (3) Agency form number, if any, and the applicable component of the DHS sponsoring the collection: I-765V; USCIS.
- (4) Affected public who will be asked or required to respond, as well as a brief abstract:  
Primary Individuals or households. Form I-765V, Application for Employment Authorization for Abused Nonimmigrant Spouse, will be used to collect information that is necessary to determine if an applicant is eligible for an initial Employment Authorization Document (EAD), a new

EAD, or an interim EAD as a qualifying abused nonimmigrant spouse.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: The estimated total number of respondents for the information collection Form I-765V is 1,000 and the estimated hour burden per response is 3 hours to complete the form, 1 hour for biometrics and .50 hours to obtain passport-style photographs.

(6) An estimate of the total public burden (in hours) associated with the collection: The total estimated annual hour burden associated with this collection is 4,500 hours.

(7) An estimate of the total public burden (in cost) associated with the collection: The estimated total annual cost burden associated with this collection of information is \$265,000.

Dated: May 23, 2016.
